

COMPANY PROFILE

An investment and empowerment partner in South Africa's infrastructure landscape.

Motseng Ideas Infrastructure Group (MIIG) is a Proudly South African investment company committed to accelerating infrastructure development and Public-Private Partnership (PPP) delivery across South African and the SADC region.

We are guided by the principles of transformation, scale, and shared progress.

MIIG exists to unlock Africa's infrastructure potential and contribute meaningfully to inclusive economic growth.

With R800 million in assets under management and over 40 years of combined leadership experience, MIIG offers a vertically integrated investment model that spans the full infrastructure value chain – from origination, project development and financing to execution, governance, and stakeholder alignment.

Our approach ensures not only efficient delivery but also long-term impact and sustainability.

Our Role

MIIG partners with national and local governments, the private sector; and communities to:

1

Deliver commercially sound & socially responsible infrastructure solutions.

2

Close infrastructure gaps.

3

Create enduring national assets that serve the public good.

A majority Black-owned and Black-women-led organisation

MIIG represents a new generation of infrastructure leadership – combining deep sector expertise with a strong commitment to transformation, empowerment, and nation-building.

Our team is composed of seasoned PPP professionals and infrastructure strategists with a proven track record in project execution, policy implementation and stakeholder engagement at both national and international levels.

Vision

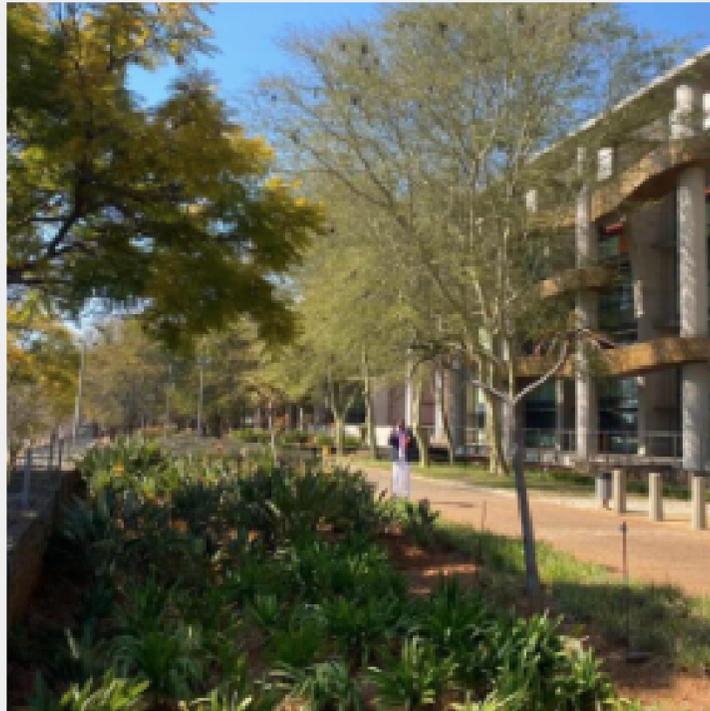

Our vision is to be Southern Africa's leading and trusted partner to governments, private sector stakeholders and communities in delivering inclusive, innovative, and sustainable social and economic infrastructure.

MIIG is committed to partner with governments, communities and private sector stakeholders to design, build and manage infrastructure that delivers measurable social and economic value across key sectors in South Africa and within the SADC region.
